

# 2020 calendar of events

Stay in the know for 2020 with our handy guide of major events. If you attend, come say hello and mention Life in the Lab so we know how you found us.

## JANUARY

### PMWC™ 2020

January 21–24, 2020  
Santa Clara, CA, US  
The Precision Medicine World Conference (PMWC) is the original and largest forum for the latest advances in technology (e.g., DNA sequencing technology), clinical implementation (e.g., cancer and beyond), research, and all aspects related to the regulatory and reimbursement sectors.

## FEBRUARY

### Rare Disease Day™ 2020

February 29, 2020

## APRIL

### World Health Day

April 7, 2020

### Earth Day™ —

### 50th Anniversary

April 22, 2020

Life in the Lab will be going GREEN—stay tuned online.

### DNA Day

April 25, 2020

### AACR Annual Meeting 2020

April 24–29, 2020

San Diego, CA, US

The American Association for Cancer Research™ (AACR)'s conference for the latest discoveries across cancer biology, translational, and clinical studies and more.

## MAY

### Immunology 2020

May 8–12, 2020

Honolulu, HI, US

The American Association of Immunologists (AAI)'s leading annual all-immunology event worldwide.

## ASMS

May 31–June 4, 2020

Houston, TX, US

Join the American Society for Mass Spectrometry (ASMS) at their annual conference for one of the most dynamic associations for the field of mass spectrometry.

## JUNE

### CYTO™ 2020

June 19–23, 2020

Philadelphia, PA, US

Presented by the International Society for Advancement of Cytometry (ISAC); explore the latest in flow and image cytometry.

### ISSCR 2020 Annual Meeting

June 24–27, 2020

Boston, MA, US

The International Society for Stem Cell Research (ISSCR) hosts the largest global forum for developments in stem cell science and regenerative medicine.

## SEPTEMBER

### Life in the Lab—last issue of 2020

September 1, 2020

The last issue of Life in the Lab for the year launches this month, so keep a lookout

## OCTOBER

### HUPO World Congress

October 18–22, 2020

Stockholm, Sweden

The Human Proteome Organization (HUPO) is an international consortium representing and promoting proteomics.

### Neuroscience 2020

October 24–28, 2020

Washington, DC, US

The Society for Neuroscience™ (SfN)'s premier venue for advancements in brain and nervous system research.

### ASHG 2020

October 27–31, 2020

San Diego, CA, US

The American Society of Human Genetics (ASHG) is the world's largest human genetics and genomics meeting.
