

Lease financing

Consider a leasing option for new equipment

Affordable monthly payments

Take advantage of these great leasing benefits:

- Allows your agency to utilize the latest, most efficient technology without the financial commitment of an outright purchase
- A solution for your budget whether it's an operating budget or a capital budget
- Flexible lease terms ranging from 24 to 60 months
- Extended warranties that can be included for the duration of the lease

Financing options shouldn't be a mystery. To illustrate in practical terms what our lease solutions can do, see examples of monthly payments based on the length of lease term and an estimate of the instrument price.

Capital lease example*

Instrument amount (\$USD)	24-month term	36-month term	48-month term	60-month term
\$100,000	\$4,577	\$3,183	\$2,491	\$2,082
\$128,000	\$5,830	\$4,052	\$3,174	\$2,649
\$150,000	\$6,832	\$4,749	\$3,720	\$3,105

Operating lease example*

Instrument amount (\$USD)	24-month term	36-month term	48-month term	60-month term
