Reordering just got easier

We’ve made it easier than ever to reorder online

Expedite your ordering process by reordering online, including orders that were previously completed off-line. Here’s how:

1. Sign in to your account at thermofisher.com, and go to your Order History. (Home>Account>Orders)

2. Select the green Reorder button, which will take you to a new Cart page with the items from your previous order auto-populated.
3. You can add, remove, and edit products in your cart as well as adjust the quantity of your items and enter a promotion code.

4. Click the green Begin checkout button.

5. If you had any items remaining in your cart from a previous session, those items will be moved to the Saved Carts section, where you can access them later.

Sign in to your account now at thermofisher.com to give it a try.
