Registering for an account is easy

When customers take the time to provide feedback, we listen. Recent feedback indicates that you value the speed and convenience of digital self-service. And so, with that input in mind, we've revamped our registration process to make it easier than ever.

To place orders on thermofisher.com, you can now link to the account for your company or institution simply by adding shipping and billing information.

Step 1

Sign up for a thermofisher.com account by selecting "Create Account" from the "Sign in" drop-down menu

A screenshot of the ThermoFisher Scientific website. The top navigation bar includes the ThermoFisher Scientific logo, a search bar, and links for Popular, Applications & Techniques, Shop All Products, Services, and Support. On the right, there are links for Quick Order and Sign in. The main content area features a large banner for "Stunningly easy Western Blot Imaging" with a "Learn more" button. Below the banner are three smaller sections: "Simple, user-friendly image capture", "Easy image export", and "No more UV exposure", each with a "Learn more" button and an icon. On the right side, a dropdown menu is open under the "Sign in" button, showing options for "Don't have an account? Create Account", "Aspire Member Program", "Connect: Lab, Data, Apps", "Custom Products & Projects", "Instrument Management", "Services Marketplace", "Account", and "Check Order Status".

Step 2

Enter your first name, last name, email address, and a password into the registration form.
