

More ways to  
*easily track order progress*

## Plan experiments with confidence knowing where your purchases are and when they will arrive

Use the **thermofisher.com** online order lookup tool to quickly track your order status from shipment through delivery without needing to log in to your account.

- View the most up-to-date availability information for each product on your order
- Add additional recipients to receive the delivery email
- Sign yourself and/or others up to receive delivery notices via text messaging

Bookmark this page for easy access to the **order lookup tool** >>

Find out more at **[thermofisher.com/orderlookup](https://www.thermofisher.com/orderlookup)**

**Check your order status on thermofisher.com anytime by using the drop-down menu under “Sign in” with your order number and shipping postal or ZIP code**
