

Supplier Information for Applied Biosystems TaqPath™ ProAmp Master Mixes

Dear Customer,

This statement serves to provide further information regarding the manufacturing for the following Applied Biosystems™ products:

- **TaqPath™ ProAmp™ Master Mix** (Cat. Nos. A30865, A30866, A30867, A30871, A30872)
- **TaqPath™ ProAmp™ Multiplex Master Mix** (Cat. Nos. A30868, A30869, A30870, A30873, A30874)

In support of growing demand in testing and to maintain timely supply of these products, Thermo Fisher Scientific has employed dual manufacturing in both Austin, Texas USA and Vilnius, Lithuania.

What can be expected from both sites

- Quality and manufacturing processes are in compliance with ISO 13485 standards.
- The product catalog numbers, ordering process, company, or legal entity with which you are conducting business, order delivery times and carriers.
- The Austin, Texas USA Thermo Fisher Scientific site is listed as the site of *Legal Manufacture* for products manufactured in the USA and Lithuania.

What differs by site

- Label information and appearance, packaging, as well as lot codes for master mixes, based on site of manufacture.

To access the Vilnius, Lithuania site Supplier Questionnaire please click [HERE](#).

To request the Austin, Texas USA site Supplier Questionnaire please email LSGqa1@thermofisher.onmicrosoft.com.

Thermo Fisher Scientific is committed to our customers and to providing the high-quality products and support you have come to expect. If you have any questions, please contact Thermo Fisher Technical Support at techsupport@thermofisher.com.

Sincerely,

Hassan Ramadan
