Offer valid October 1, 2022 to December 31, 2022 for U.S. customers only. You must submit a qualifying Thermo Scientific Quanti-Cult Plus Quality Control Kit purchase order (qualifying order codes: R4715210, R4715220, R4715221, R4715222, R4717016) along with this promotional form in order to receive up to two packs of plates at no additional charge. Purchase orders must be received by December 31, 2022 and promotional forms must be received by January 13, 2023 to receive the packs of plates at no additional charge.

Offer valid while supplies last. We reserve the right to discontinue this promotion for any reason and without prior advance notice. Please note that the value of the no additional charge plates the customer may receive from the manufacturer under this offer is a "discount or other reduction in price" to the customer under section 1128B(b) (3)(A) of the Social Security Act [42 U.S.C. 1320a-7b(b)(3)(a)]. Accordingly, the customer shall disclose this and any other discounts or other reduction in price received under this offer under any state or federal program as required by applicable law. Not valid in connection with any other offer or discount. All offers are subject to Thermo Fisher standard terms and conditions of sale. Offer void where prohibited by law or company policy. See representative or www.thermoscientific.com for additional information.
