Nitrile Long Cuff

Promed® Examination Gloves

- » Latex Free
- » Non-Sterile
- » Single-Use
- » Powder Free
- » 300mm long cuff for additional protection
- » Blue coloured glove for easy identification

Comfort

Latex Free and Powder Free:

- Reduces risk of allergic reactions and prevents type 1 allergic reactions

Conformability:

- Similar flexibility to natural rubber, conforms to the wearer's hand during use and allows optimal sensitivity.

Micro Textured Surface:

- Provides non-slip grip in wet and dry conditions

Ambidextrous:

- Greater comfort, fit and feel

Beaded Cuff:

- Ease of donning and durability during use

Cuff Length:

- Available in long 300mm

Protection

Suitable Use:

- Medical examination - non-invasive diagnostic and therapeutic procedures

Barrier Protection:

- Effective against potentially infective materials and other contaminants

Strength and Durability:

- Resistant to puncture and tears; resistant to development of holes

Quality Standards:

- CE Mark - Medical 93/42/EEC, ASTM D 6319, Exceeds AS4011 for pinholes, AQL1.5, ARTG No 150846
