

Join the Jump Start New Lab program

Get your new lab up and running quickly and access exclusive discounts*

The Jump Start New Lab Program is an exclusive new lab partnership program designed to help you achieve your research and commercialization goals.

Register today and we will partner with you by offering:

- Unique product discounts on instruments, consumables, and equipment
- Personalized lab design support
- Regulatory and compliance support including RUO to GMP
- Flexible finance plans including leasing options
- Ongoing remote support with our technical application specialist team

You're eligible for the program if you're:

- Opening a new lab within your institution or company
- Expanding your existing lab
- Moving your lab to a new space
- Starting a new company
- Directed to the program by your account manager
