

JUMP START FOR BIOTECH NEW LAB PROGRAM

Realize your full potential

The Jump Start New Lab Program is an exclusive new lab partnership program designed to help you achieve your research and commercialization goals.

Join today and we will partner with you through many aspects of starting a new lab including:

- Unique product discounts on instruments, consumables and equipment
- Personalized lab design support
- Regulatory and compliance support including RUO to GMP
- Flexible finance plans including leasing options
- Ongoing remote support with our technical application specialist team

You are eligible for the Jump Start New Lab Program if you are:

- Opening a new lab within your institution or company
- Expanding your existing lab
- Moving your lab to a new space
- Starting a new company
- Directed to the Program by your account manager
