

## Microplate Readers

# SkanIt™ Software for Microplate Readers Tutorial Series

## Learning Plan access instructions

The “SkanIt™ Software for Microplate Readers Tutorial Series” Learning Plan consists of six E-Learning courses which cover the use of the SkanIt™ Software, from the basics to more advanced measurements.

The individual courses included in the Learning Plan are:

1. Getting Started with SkanIt™ Software
2. Absorbance
3. Fluorescence
4. Luminescence
5. TRF and Alpha assays
6. Data Analysis and Export

### How to access the Learning Plan in the EducationConnect learning platform

#### If you do not have a thermofisher.com account:

1. Go to [thermofisher.com/register](https://thermofisher.com/register) to create a new account. You will be asked to verify your account by email.
2. Once you've verified your account, you can access the EducationConnect learning platform by following the steps in the next section.

#### If you DO have a thermofisher.com account:

1. Go to [thermofisher.com/educationconnect](https://thermofisher.com/educationconnect) to log in using your thermofisher.com username and password.
2. Complete your EducationConnect user profile (first time login only).

3. Click on the following Enrollment link, or copy and paste this link/ URL into the address bar of your browser:

[https://tfs.docebosaas.com/GSStraining/learn/lp/813/skanit-software-for-microplate-readers-tutorial-series?generated\\_by=69123&hash=2c2044eef6ef5120843d199be2bb5c15bd2e0b22](https://tfs.docebosaas.com/GSStraining/learn/lp/813/skanit-software-for-microplate-readers-tutorial-series?generated_by=69123&hash=2c2044eef6ef5120843d199be2bb5c15bd2e0b22)

4. After you click or enter the link, the system will automatically enroll you and take you to the Learning Plan page. Click on any of the individual courses listed on the page to begin reviewing the content.

#### For the best experience using the EducationConnect system:

- We recommend using the Google Chrome™ web browser, although most browsers should be compatible.
- Clearing your browser cache and cookies regularly can help improve performance. Refer to your browser documentation for instructions on how to clear the cache.
- For general information on using the system, you can watch our [quick video](#) tutorial.

If you have questions about using the SkanIt™ Software, please go to [thermofisher.com/contactus](https://thermofisher.com/contactus) to find contact information for your local Technical Support team.

For assistance with using the EducationConnect learning platform, please contact [educationconnect@thermofisher.com](mailto:educationconnect@thermofisher.com).

For Research Use Only. Not for use in diagnostic procedures.
