As a courtesy to others, limit is four people per site, however please contact us first to discuss training for a larger group. **Places are limited.**

Registration closes 14 days prior to commencement of the course. If there is any change to the published training schedule we will contact you with as much notice as possible.

The course is delivered in English and all training material is in English.

To register for the course please complete and return the registration form with your Purchase Order **no later than 4 August 2019** to:

Thermo Gamma-Metrics Pty Ltd (ABN 35 087 556 527)
PO Box 97 Export Park,
Adelaide Airport, South Australia 5950

Phone: +61 (0)8 8208 8200
Fax: +61 (0)8 8234 3772
Email: Service.AUADL@thermofisher.com

Please email confirmation of registration back to me at _____

ACCOMMODATION

We suggest the Oaks Plaza Pier, 16 Holdfast Promenade, Glenelg, or the Oaks Liberty Towers, 25 Colley Terrace, Glenelg. These hotels are close to cafes, pubs, restaurants, shops and the beach. They also have 1 and 2 bedroom suites. Ph. 1300 721 916 (within Australia) or www.theoaksgroup.com.au

Both hotels are a 10 minute taxi ride, costing approximately AUD20.00 per trip, to the Thermo Fisher Scientific office & factory at 18 Butler Boulevard, Burbridge Business Park, Adelaide Airport.

You can also find other hotels at www.southaustralia.com

All accommodation accounts will be the responsibility of the guest and payment is required on checkout, please be aware that many hotels in Australia require a credit card for guarantee and payment.

Please ensure you book your departing flight after 6pm on the last day of training.

PAYMENT DETAILS

Enclose Purchase Order with your registration form/s and send it to:
Service.AUADL@thermofisher.com

Payment terms may be subject to credit approval.

Apply your Product Support Agreement's Factory Training Discount

Enter your PSA reference

Consider the abovementioned conditions and send your registration as soon as possible. Late registrations are compromised by payment conditions and maximum capacity of the training facilities.

Note: The training course fee includes training, training notes and lunch on each day. All transport, accommodation, other meals and incidentals are excluded.
