When worker safety can’t be compromised

Thermo Scientific Dosimetry Services
Radiation dose monitoring services.

Thermo Scientific Dosimetry Services offers you accurate measurement of radiation dose exposure in the workplace, ensuring worker safety.

Your partner for safety
- Access to in-house, customer care experts
- Access to Dosimetry Consultants
- Access to Thermo Scientific MyRadCare – Free on all of your electronic devices
- NO maintenance fees
- NO cancellation fees
- NO fees to add, delete or make changes to wearers

How it works

1. We send you badges
2. Your employees wear badges for period
3. Badges are returned to our facility
4. Badges analyzed and online reports generated

Our service is accredited to the National Voluntary Laboratory Accreditation Program, NVLAP lab code 100512-0, and registered to ISO 9001:2015.
