

Innovation Summit

Agenda

Chromeleon Software | No Compromise Enterprise 18–22 October 2021

Learn from other users and Thermo Fisher experts how you can leverage the full power of Thermo Scientific™ Chromeleon™ Chromatography Data System (CDS) software to enhance the way you and your lab work for improved efficiency, connectivity and compliance.

Monday, 18 October (CEST)

Welcome—moving forward with Chromeleon CDS

- **7:00–7:30** Christoph Nickel, Senior Director, Software Marketing, Thermo Fisher Scientific—
[Chromeleon CDS—Welcome to the Innovation Summit](#)
- **7:30–8:00** Barbara van Cann, Senior Product Manager, Thermo Fisher Scientific—
[Chromeleon CDS Past-Present-Future](#)
- **8:00–8:30** Lu Hang, ChongQing Huapont Pharma, China—[Lean laboratory planning and design](#)

Welcome—moving forward with Chromeleon CDS

- **10:00–10:30** Christoph Nickel, Senior Director, Software Marketing, Thermo Fisher Scientific—
[Chromeleon CDS—Welcome to the Innovation Summit](#)
- **10:30–11:00** Andreas Brunner, Director, Product Management, Thermo Fisher Scientific—
[Chromeleon CDS Past-Present-Future](#)
- **11:00–11:30** Rajeev Batra, Head of IT Regulatory & Compliance division, Intas Pharmaceuticals Ltd, India—
[Disaster recovery with Microsoft Azure cloud](#)

Welcome—moving forward with Chromeleon CDS

- **13:00–13:30** Christoph Nickel, Senior Director, Software Marketing, Thermo Fisher Scientific—
[Chromeleon CDS—Welcome to the Innovation Summit](#)
- **13:30–14:00** Barbara van Cann, Senior Product Manager, Thermo Fisher Scientific—
[Chromeleon CDS Past-Present-Future](#)
- **14:00–14:30** Andreas Steinle, Manager, Digital Solutions, Roche Diagnostics GmbH, Germany—
[Unlock your analytical instrument data for data science](#)

Tuesday, 19 October (CEST)

Lab compliance for continuous operations

- **7:00–7:30** Patrick Kenny, Product Marketing Specialist, Validation and Compliance, Thermo Fisher Scientific—
[Prepare for the coming audit](#)
(presented and translated by Thermo Fisher Scientific China team)
- **7:30–8:00** Brian Alliston, Product Marketing Manager, Thermo Fisher Scientific—
[GxP compliance and data integrity in the cloud](#)
(presented and translated by Thermo Fisher Scientific China team)
- **8:00–8:30** Darren Barrington-Light, Senior Manager, Product Marketing, Thermo Fisher Scientific—
[Business continuity for your laboratory](#)
(presented and translated by Thermo Fisher Scientific China team)

Cloud deployment and beyond pharma 4.0

- **10:00–10:30** Shaun Quinn, Marketing Manager, Thermo Fisher Scientific—
[Shaping Futures; DI, Pharma 4.0, CSA, QbD](#)
- **10:30–11:00** Dr. Gerd Paulus & Christoph Jeggle, DiQualis GmbH, Germany—
[Cloud Compliance—Challenge and/or opportunity](#)
- **11:00–11:30** Chris Tuczemski, Sales Support Specialist, Thermo Fisher Scientific—
[Considerations when deploying a CDS in the cloud](#)

Connecting the laboratory and instruments

- **13:00–13:30** Katie Evans, Senior Product Manager, Thermo Fisher Scientific—[Advantages of using a Laboratory Information Management System \(LIMS\) with your Chromatography Data System \(CDS\)](#)
- **13:30–14:00** Greg Whitaker, Product Manager, Thermo Fisher Scientific—
[Network readiness through enhanced instrument communications](#)

Welcome - moving forward with Chromeleon CDS

- **16:00–16:30** Christoph Nickel, Senior Director, Software Marketing, Thermo Fisher Scientific—
[Chromeleon CDS—Welcome to the Innovation Summit](#)
- **16:30–17:00** Andreas Brunner, Director, Product Management, Thermo Fisher Scientific—
[Chromeleon CDS Past-Present-Future](#)
- **17:00–17:30** Annette Savoy, Senior Chemist, Cornerstone Chemical Company—
[Chromeleon: One Lab's Two-Decade Journey](#)

Wednesday, 20 October (CEST)

Taking chromatography solutions a step further

- **7:00–7:30** Luo Nan, Yichang Humanwell Pharmaceutical Co. Ltd, China—
[Application of Chromeleon Chromatography System in Yichang Humanwell Pharmaceutical Company](#)
- **7:30–8:00** Peter Zipfell, Product Marketing Manager, Thermo Fisher Scientific—
[Chromeleon CDS for LC-MS applications](#)
(presented and translated by Thermo Fisher Scientific China team)
- **8:00–8:30** Speaker and Title TBC

Streamlining data analysis and method development

- **10:00–10:30** Andrius Sakalauskas, Product Manager, ChromSword—
[Software for HPLC method development](#)
- **10:30–11:00** Zoe Julian, Product Marketing Manager, Thermo Fisher Scientific—
[How selecting the correct CDS solution can streamline your \(petro\)chemical analysis](#)

Data integrity and cloud validation

- **13:00–13:30** Sarah Simnor, Analytical Systems Manager, Nova Laboratories Ltd, UK—
[What is your Data Integrity worst nightmare?](#)
- **13:30–14:00** Christian Müller, Director of Operations, Qpliance GmbH, Germany & Mrs. Katrin Maltusch, Head of Technical Support QC, Wacker Biotech GmbH, Germany—[Chromeleon CSV user story](#)
- **14:00–14:30** Brian Alliston, Product Marketing Manager, Thermo Fisher Scientific—
[GxP compliance and data integrity in the cloud](#)

Are you audit ready?

- **16:00–16:30** Darren Barrington-Light, Senior Manager, Product Marketing, Thermo Fisher Scientific—
[Business continuity for your laboratory](#)
- **16:30–17:00** Patrick Kenny, Product Marketing Specialist, Validation and Compliance, Thermo Fisher Scientific—
[Prepare for the coming audit](#)

Thursday, 21st October (CEST)

Best practices: Increasing lab productivity

- **7:00–7:30** Peter Zipfell, Product Marketing Manager, Thermo Fisher Scientific—
[Ease of use with eWorkflow procedures](#)
- **7:30–8:00** Zoe Julian, Product Marketing Manager, Thermo Fisher Scientific—[Working with MS data](#)
- **8:00–8:30** Darren Barrington-Light, Senior Manager, Product Marketing, Thermo Fisher Scientific—
[Reporting 1 Design and formatting](#)

Best practices: Maintaining your chromatography data system

- **10:00–10:30** Dinesh R. Ghosalkar, Assistant Support Manager, Applications, Thermo Fisher Scientific—
[Efficient utilization with Chromeleon CDS Queries](#)
- **10:30–11:00** Gregory Whitaker, Product Manager, Fisher Scientific—
[System maintenance and automated updating](#)
- **11:00–11:30** Brian Alliston, Product Marketing Manager, Thermo Fisher Scientific—
[User administration and organizational units](#)

Improving lab operations and getting the process right the first-time

- **13:00–13:30** Tegan Davison, Project Support Coordinator, Sterling Pharma Solutions, UK—
[Is it time to expel excel?](#)
- **13:30–14:00** Martin Alt, Director Business Development, Qpliance Data Services GmbH, Germany—
[Lab 4.0—LabX™ goes Chromeleon CDS](#)
- **14:00–14:30** Yvonne McLeod, Laboratory Manager, Analytical Sciences & Liam Atkinson, Instrument Team Scientist, Broughton Nicotine Services, UK—
[Right First Time—Rapid scaling and high throughput testing of ENDS devices using Chromeleon CDS software](#)

Realizing the potential for CDS with mass spectrometry

- **16:00–16:30** Matthias Schiell, Sanofi-Aventis Deutschland GmbH, Germany—
[Highly flexible UPLC and UHPLC-MS systems controlled by Chromeleon CDS and its use in R&D](#)
- **16:30–17:00** Sara Carillo, Application Development Team Leader, NIBRT, Ireland—
[iMAM—an intact mass based multi-attribute method](#)
- **17:00–17:30** Dan Bach Kristensen, Principle Scientist, Symphogen, Denmark—
[Recent Progress in MS-Based Workflows and Case Studies from a Biopharmaceutical Development Lab](#)

Friday, 22nd October (CEST)

Best practices: Efficient data processing with smarter reporting

- **13:00–13:30** Peter Zipfell, Product Marketing Manager, Thermo Fisher Scientific—
[Ease of use with eWorkflow procedures](#)
- **13:30–14:00** Zoe Julian, Product Marketing Manager, Thermo Fisher Scientific—[Working with MS data](#)
- **14:00–14:30** Darren Barrington-Light, Senior Manager, Product Marketing, Thermo Fisher Scientific—
[Reporting 2 Custom calculations](#)

Best practices: Managing enterprise installations and handling user management

- **16:00–16:30** Simon Stacpoole, Manager, eCDS Services, Thermo Fisher Scientific—
[The right approach for Enterprise CDS installations](#)
- **16:30–17:00** Brian Alliston, Product Marketing Manager, Thermo Fisher Scientific—
[Best practices: User administration and organizational units](#)
- **17:00–17:30** Shaun Quinn, Marketing Manager, Thermo Fisher Scientific—
[Advancing access groups & roles](#)
