

Exclusive business EQUIPMENT FINANCING

Order the equipment you need today!

Benefit from our Equipment Financing Solutions in combination with our 90-day payment deferral promotion.

Offer details

To help our customers in the current challenging economic situation we are offering a method which allows you to order the equipment you need today and pay later.

- Save your cash flow. Our deferral program allows you to utilize revenue generating equipment before incurring any costs
- No upfront investment, preserve your working capital. Fixed monthly payments will help you lower your initial capital investment to a minimum and optimize your cash resources for better budget forecasting, giving you the flexibility to reinvest the savings back into your business

Terms

- 90-day deferral of payments after equipment installation
- Commit to a fixed monthly payment schedule of 36, 48 or 60 months
- The promotion is valid for all contracts signed before December 24, 2020 providing installation takes place within 45 days of contract signature
- Customized schedules and other financing solutions available

Your Trusted Business Partner

We understand your advanced equipment and application requirements, as well as the business challenges you face when making investments in new technology. Thermo Fisher Financial Services has the expertise and industry insight to design customizable equipment financing solutions.
