Directions

Car

From Paris – Porte D'Orleans - Take the A6 (Motorway) and then on to the A10, in the direction of Bordeaux. Follow the A10, towards Chartres-Orléans and exit at Z.A. de Courtaboeuf – Les Ulis (D118). Turn right and follow 'Courtaboeuf 1' (Av. de la Baltique (D218)). At the first traffic lights turn right, onto the Avenue du Québec. Continue for about 700 meters and then turn right into N° 16. The Thermo Scientific Center of Excellence is at the end of the road.

From Paris – Porte de St Cloud - Take the N118 with direction: Bordeaux. Follow the N118 for about 20 Km until the exit N° 13 Mondetour. At the roundabout take the 4th exit on to the Avenue du Canada (D218). Keep left and turn left in 100 meters. After the Hewlett Packard building on your left, the road becomes the Avenue du Québec. Continue forward for about 900 meters, go straight ahead at the traffic lights, then on for another 700 meters. Turn right into N° 16. The Thermo Scientific Center of Excellence is at the end of the road.

From Lyon (A6) - Take the Francillienne (N104) in the direction of Versailles and then join the A10 towards Bordeaux. Follow the A10, towards Chartres-Orléans and exit at Z.A. de Courtaboeuf – Les Ulis (D118). Turn right and follow 'Courtaboeuf 1' (Av. de la Baltique (D218)). At the first traffic lights turn right, onto the Avenue du Québec. Continue for about 700 meters and then turn right into N° 16. The Thermo Scientific Center of Excellence is at the end of the road.

Air

Orly is the nearest airport to the office.

Taxi ranks are located outside all airports and pre-booking is not necessary.

Recommended Hotels

The area of Les Ulis where the Thermo Scientific Center of Excellence is situated is mainly industrial and does not offer a wide range of hotels close by. There are two hotels in walking distance, (see below), however we recommend that customers stay at the Mercure hotel near the Massy-Palaiseau station where transport both to the office and to the centre of Paris is easy. Alternatively, Paris boasts a wide range of hotels which can be booked easily online.
