Recommended Hotels

The Center of Excellence is situated in a industrial area that does not offer a wide range of hotels close by. The only hotel within walking distance from the Institute is the Holiday Inn in Hemel Hempstead. For a more lively atmosphere, we recommend that our customers stay either in the center of Hemel Hempstead or in the town of St Albans during their visit to the institute. St Albans is situated approximately 7 miles from Thermo Scientific and the taxi fare would be approximately £15 one way. If you require help with your hotel reservations please do not hesitate to contact us.
