To Whom It May Concern:

At Thermo Fisher Scientific, we are dedicated to providing you, our valued customer, with the products, solutions and support that enable you to make the world healthier, cleaner and safer. Consistent with our mission, we continuously evaluate our portfolio and innovation roadmap to ensure we are meeting your needs today, and well into the future, as we partner to address the world's most complex scientific challenges.

Today, we are writing to inform you that Thermo Fisher Scientific announced the decision to discontinue manufacturing the following products effective April 12, 2023. As a result, we will no longer offer the following products for direct sale effective April 26, 2023:

- **Accula™ Dock**
- **Accula™ SARS-CoV-2 Test and Control Kit**
- **Accula™ Flu A/Flu B Test and Control Kit**

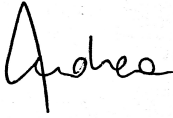

We appreciate that the work you do every day is critical and that these products may be important to your operation, thus we will continue to make product available to our normal distribution network. Customers can review our list of distributors to purchase products, as inventory remains available.
