Laboratory Essentials Resource Network | LERN

The LERN virtual hub is a convenient place to discover and interact with laboratory equipment and consumables and learn about new applications. Take advantage of weekly Lab Talk tips, best practice sessions, and live webinars featuring guest speakers on topics that can help accelerate your science. To participate, register to create a free account then log in for the live events and recordings. Live sessions are posted within 48h for on-demand viewing. Find all Lab Talk sessions in the home menu under the Lab Talk track or use the search function to find a session by topic or presenter.
