

Certificate of Analysis

MicroAmp® EnduraPlate™ Optical 384-Well Clear GPLE Reaction Plates with Barcode

REF 4483319
 I47A3Q1
Sub-Lot No. I47A3Q124 / I47A3Q125
 Nov.2013

TEST	RESULT
------	--------

DNA contamination

Tested by quantitative Polymerase Chain Reaction (qPCR) of human DNA and meets specifications Pass

PCR inhibition

Tested by reverse transcription quantitative polymerase chain reaction (RT-qPCR) and meets specifications Pass

RNase contamination

Tested by RNA digestion and meets specifications Pass

For Laboratory Use

[Manufactured in compliance with our ISO 13485 certified quality management system. [Site](#): Suzhou, China]
