

CERTIFICATE OF ANALYSIS

10606D Exosome-Human CD63 Isolation/ Detection (from cell culture)

Packaging Lot: 01221164

Expiry Date: 30.09.2023 (DD.MM.YYYY)

Storage: at 5±3°C

Filling lots for components in package:

Lot	Quantity	Description
01221164	3 mL	Exosome - Human CD63 Isolation /Detection (from cell culture)

QUALITY CONTROL

Parameter	Method	Requirement	Result
Functional testing	Flow cytometric analysis of Exosome CD63 Isolation.	Exosome isolation: 65.4 – 131.4 units	Conforms

ISO CERTIFICATION

Manufactured by Thermo Fisher Scientific Baltics UAB, in compliance with ISO 9001 and ISO 13485 certified quality management system.

Quality authorized by QC: **J. Žilinskienė**
