

## Certificate of Analysis

### No-Stain™ Protein Labeling Reagent

Product No. A44449  
Lot No. 2274138  
Date of Manufacture 15Jun2021  
Expiration Date 23Mar2022

---

#### Linearity

Specification: Following quantification of a dilution series of protein in a gel transferred to a membrane and labeled using the No-Stain™ Protein Labeling Reagent, analysis shall yield an  $R^2$  value  $\geq 0.90$  for linear fit of  $\geq 4$  data points.

Result: Meets specification.

---

For Research Use Only. Not for use in diagnostic procedures. If you have any further questions about this Certificate of Analysis, please contact Technical Services at 1-800-955-6288 (US and Canada) or 1-760-603-7200, x2 (all other countries).
