

CERTIFICATE OF ANALYSIS

F-415S DyNAmo Flash SYBR Green qPCR Kit

Packaging Lot: 01079415

Expiry Date: 31.08.2022 (DD.MM.YYYY)

Storage: at -20±5°C

Filling lots for components in package:

| Lot | Quantity | Description |
|----------|----------|-------------------------------------|
| 01051905 | 1 mL | 2X DyNAmo Flash SYBR Green qPCR Mix |
| 01072428 | 0.05 mL | ROX Passive Reference Dye |

QUALITY CONTROL

| Parameter | Method | Requirement | Result |
|------------------|--|-------------|----------|
| Functional Assay | Efficiency, linearity, specificity and sensitivity were tested in the qPCR using ten-fold serial dilutions of human genomic DNA as a template. | Conforms | Conforms |

ISO CERTIFICATION

Manufactured by Thermo Fisher Scientific Baltics UAB, in compliance with ISO 9001 and ISO 13485 certified quality management system.

Quality authorized by QC: **J. Žilinskienė**
