

## CERTIFICATE OF ANALYSIS

**F-415S DyNAmo Flash SYBR Green qPCR Kit**

**Packaging Lot: 01210458**

**Expiry Date: 28.02.2023 (DD.MM.YYYY)**

**Storage: at -20±5°C**

### Filling lots for components in package:

| Lot      | Quantity | Description                         |
|----------|----------|-------------------------------------|
| 01170354 | 1 mL     | 2X DyNAmo Flash SYBR Green qPCR Mix |
| 01203406 | 0.05 mL  | ROX Passive Reference Dye           |

### QUALITY CONTROL

| Parameter        | Method   | Requirement | Result   |
|------------------|--|-------------|----------|
| Functional Assay | Efficiency, linearity, specificity and sensitivity were tested in the qPCR using ten-fold serial dilutions of human genomic DNA as a template. | Conforms    | Conforms |

#### ISO CERTIFICATION

Manufactured by Thermo Fisher Scientific Baltics UAB, in compliance with ISO 9001 and ISO 13485 certified quality management system.

Quality authorized by QC: **J. Žilinskienė**
