

CERTIFICATE OF ANALYSIS

F-455S DyNAmo Flash Probe qPCR Kit 100 x 20 µl

Packaging Lot: 01090216

Expiry Date: 31.05.2022 (DD.MM.YYYY)

Storage: at -20±5°C

Filling lots for components in package:

Lot	Quantity	Description
01076892	1 mL	2X DyNAmo Flash Probe qPCR Master Mix
01089332	0.05 mL	ROX Passive Reference Dye

QUALITY CONTROL

Parameter	Method	Requirement	Result
Functional testing	Efficiency, linearity, specificity and sensitivity were tested in the qPCR using ten-fold serial dilutions of human genomic DNA as a template.	Conforms	Conforms

ISO CERTIFICATION

Manufactured by Thermo Fisher Scientific Baltics UAB, in compliance with ISO 9001 and ISO 13485 certified quality management system.

Quality authorized by QC: **J. Žilinskienė**
