

CERTIFICATE OF ANALYSIS

F-456L DyNAmo ColorFlash Probe qPCR Kit, 200 x 50 µl

Packaging Lot: 01218060

Expiry Date: 30.06.2023 (DD.MM.YYYY)

Storage: at -20±5°C

Filling lots for components in package:

Lot	Quantity	Description
01216387	5 x 1 mL	2X DyNAmo Color Flash Probe qPCR Master Mix
01203992	1 mL	40X Sample Buffer
01212648	0.25 mL	ROX Passive Reference Dye

QUALITY CONTROL

Parameter	Method	Requirement	Result
Functional Assay	Efficiency, linearity, specificity and sensitivity were tested in the qPCR using ten-fold serial dilutions of human genomic DNA as a template.	Conforms	Conforms

ISO CERTIFICATION

Manufactured by Thermo Fisher Scientific Baltics UAB, in compliance with ISO 9001 and ISO 13485 certified quality management system.

Quality authorized by QC: **J. Žilinskienė**
