

Thermo Scientific Inoculating Loops and Needles

Part of our complete range of microbiological solutions, our extensive line of calibrated and non-calibrated wire loops, disposable plastic loops and precision-manufactured needles are color-coded for easy recognition and streamlined specimen handling.

Use	Cat. no.	Product name	Handle and color	Pack size
Thermo Scientific Calibrated Inoculation Loops				
Reusable	R503740	Inoculation Loop Twisted Nichrome V, 1/100 mL	w/ Insulated Handle, Orange	ea
	R503730	Inoculation Loop Twisted Nichrome V, 1/1000 mL	w/ Insulated Handle, Blue	ea
	R503630	Inoculation Loop Twisted Nichrome V, 1/100 mL	w/o Handle	ea
	R503620	Inoculation Loop Twisted Nichrome V, 1/1000 mL	w/o Handle	ea
	R50193	Calibrated platinum, rhodium alloy inoculating loop, 1/1000	w/o Handle	ea
Single use	R501420	Inoculation Loop, 1 µL	Plastic, Blue	32 units/bag, 30 bags
	R501421			32 units/bag, 1 bag
	R501410	Inoculation Loop, 10 µL	Plastic, Yellow	32 units/bag, 30 bags
	R501411			32 units/bag, 1 bag
Thermo Scientific Non-Calibrated Inoculation Loops				
Reusable	R503151	Inoculation Loop Twisted Nichrome V, 2 mm	w/ Insulated Handle, White	ea
	R503152			5 pk
	R503153	Inoculation Loop Twisted Nichrome V, 3 mm	w/ Insulated Handle, Green	ea
	R503154			5 pk
	R503155	Inoculation Loop Twisted Nichrome V, 5 mm	w/ Insulated Handle, Yellow	ea
	R503156			5 pk
	R503155	Inoculation Loop Twisted Nichrome V, 2 mm	w/o Handle	25 pk
	R503513	Inoculation Loop Twisted Nichrome V, 3 mm	w/o Handle	25 pk
	R503515	Inoculation Loop Twisted Nichrome V, 5 mm	w/o Handle	25 pk
	R503512	Non-Calibrated Inoculating Loop, 2 mm	w/o Handle	25 pk
Thermo Scientific Inoculation Needles				
Reusable	R503060	Needle, Nichrome V, Straight	w/ Insulated Handle, Purple	ea
	R503090	TB Spade Needle, Nichrome V, Flat End	w/ Insulated Handle, Blue	ea
	R503080	Teasing Needle, Nichrome V, straight point	w/ Insulated Handle, Orange	ea
	R503070	Teasing Needle, Nichrome V, angular point	w/ Insulated Handle, Yellow	ea
Single use	R501400	Needle	Plastic, White	32 units/bag, 30 bags
	R501401			32 units/bag, 1 bag
Thermo Scientific Loop Holders (Handles) and Loops Gauges				
Reusable	R501966	Insulated Brass Holder, 6 in	For loops w/o handle	ea
	R501968	Insulated Brass Holder, 8 in	For loops w/o handle	ea
	R507010	Calibration Gauge, 0.01 mL	For 0.01 mL loops	ea
	R507020	Calibration Gauge, 0.001 mL	For 0.001 mL loops	ea
