

Certificate of Analysis

Product Name: DTIBC REAGENT 1
Product Numbers: 907450-TF
Lot Number: 176271

Date of Manufacture: 27-MAR-12
Expiration Date: 2013-09-30
Storage: 2 - 8°C

Specification	Specification Limit	Result
Appearance	Clear, dark blue to violet solution	Complies
pH (20 - 25 °C)	4.45 - 4.55	4.46
Bioburden: Bacteria	<= 100 CFU/mL	0
Bioburden: Mold	<= 100 CFU/mL	0

For in-vitro diagnostic use.

The above lot number was manufactured in compliance with Quality Systems Regulations, has met all product specifications and has been released.
