

***Certificate of Analysis***

Product Name: Nerl Blood Bank Saline 20 L  
Product Numbers: 8504  
Lot Number: 367187

Production Date: 05-SEP-18  
Expiration Date: 2019-09-30  
Storage: 15 - 30°C

Specification	Specification Limit	Result
Appearance	Clear, colorless, free of visible particulates.	Complies
pH at 25 °C	7.00 - 7.20	7.10
Osmolality	268 - 302 mOsm	299
Microbial Content	<1 CFU/L	0
Isotonicity	No observable hemolysis with human red blood cells	Complies
Specificity (Indirect Coombs Test)	a) Normal red blood cells observed microscopically b) No red cell aggregates c) No positive anti-human globulin d) Normal morphology	Complies
Direct Antiglobulin (Coombs) Test	Complies	Complies
