

View Your Data with the OMNIC Anywhere App

OMNIC Anywhere is a cloud-based application that allows you to view, explore, or share your data from a connected PC, Apple computer, Android or iOS device.

Figure 1. OMNIC Anywhere in the web browser

With a Nicolet™ Summit or Summit Pro spectrometer and a free Connect account, measure samples in the classroom or lab, upload the data to your Connect account, and view, explore, or share the data on another device in your dorm or workspace.

For instructions on creating a Connect account and viewing your data with OMNIC Anywhere, visit [“Cloud-enabled FTIR Spectroscopy”](#).
